

Good Pub Food

All our food is cooked to order so the food you get is fresh hot and tasty. Our food portions are generous and our food prices are reasonable.

We don't profess to doing "gourmet" food but the food we do is good pub food. There is quite a choice on our food menu from Steaks cooked the way you want them and served with or without pepper sauce to the quick and tasty pasty, chips and beans. We try always to put the customers food requirements first so if you don't want exactly what's written on the food menu that's fine, we will do our best to change it. You want two eggs with your steak instead of onion rings? Consider it done!! Don't fancy chips with your sausages but would like mash potato instead? Just ask and if we have it, your wish is our command!! The Robin Hood is all about what food the customer wants, not what the food menu says so we try to be as flexible as possible where our food is concerned. PLEASE NOTE, ROASTS NOW AVAILABLE ON SUNDAY'S.

If you like your food hot and spicy, come and see our range of curries from the basic tikka masala, beef madras etc. to the more exotic curries like Chicken Makahani, Thai King Prawn and Lamb Chettinadu, all served on a bed of rice with a naan and mango chutney. Spicier still? Try our homemade chilli. We have both a meat and a vegetarian option available for those who prefer their food "meat-free". Our food menu is available between 12.00 and 14.00 and 18.00-21.00 hrs Monday to Sunday and our snack food menu runs at all other times so you need never go hungry at the Robin Hood. So, if you want good food, tasty food, hot food and reasonably priced food, then The Robin Hood is the place for you!!

We don't do fast food, we do good food as fast as possible!!!!
